Australian-Made Manual And Electronic Scoreboards For Every Sport And Every Budget

Mr Scoreboards has supplied a large range of manual and electronic scoreboards since 1987. We stock everything from digital stadium to replace the numbers on your existing manual scoreboard to giant electronic stadium scoreboards. All of our products are designed and manufactured in Australia.

Portable Manual Scoreboards

We sell a range of economical portable manual scoreboards which are highly visible and simple to operate. They're easily moved between venues and stored after use. You can give your sponsors value for money by putting their names and logos on the board.

Digital Scorers

Our unique digital scorers are stunningly simple to use and incredibly effective. Scores can be changed by the flick of a finger. Use digital scorers to upgrade your existing scoreboard or put them on your new board. The Australian Design Award winning scorers now come with a two-year warranty.

100% Money-Back Guarantee

All of our standard and A-frame portable manual scoreboards come with a 30-day 100% money-back guarantee. And our digital scorers come with a two-year warranty against manufacturing faults.

Electronic Scoreboards

If you need an electronic scoreboard for indoor or outdoor use we can help. We supply a wide range of models and sizes for a variety of sports - from portable multipurpose units to radio-controlled, custom-made stadium scoreboards.

Scoreboards For Every Sport

If a sport has a score then Mr Scoreboards can make a scoreboard for it! From archery to yachting, if you need a manual or electronic scoreboard we can supply it.

Our popular range of manual scoreboards includes:

- [Cricket Scoreboards](#)
- [Australian Rules Football Scoreboards](#)
- [Rugby Scoreboards](#)
- [Tennis Scoreboards](#), and
- [Swimming Scoreboards](#).

Alternatively, we can supply an [electronic scoreboard](#) to meet your needs.
